

pH Test paper and Test Strips

▶ pH Test Paper

- Fast and easy measurements of pH value in liquids.
- Available as universal types which cover a large area of the pH range and types which give a more precise measurement of the pH value.
- Dip a piece of suitable length of the indicator paper in the liquid for a few seconds and compare with the colour scale.
- pH Test Papers are available as rolls with a length of 5 m in a plastic dispenser. Colour scale included.

Specifications

pH range	pH graduations												Cat. No.
